Greene County Board of Health Expresses Appreciation for Employees With Resolution After the 2019 Tornado

XENIA, OH – At the December 5, 2019 Greene County Board of Health meeting, Board members expressed their appreciation to the employees of Greene County Public Health for their “initiative, diligence, professionalism and dedication” during the May 27, 2019 tornado that impacted the Beavercreek area.

The resolution states that “The Memorial Day tornadoes presented many actual and potential personal and environmental hazards within the destructive path of the storm,” and that as a vital part of disaster response “in collaboration with county and state partners, public health worked to assure the health and safety of residents and provided necessary standards and guidelines to the community to enable recovery”.

Some statistics from the response by Greene County Public Health

- 27 employees logged 857 hours in the response effort
- 121 food service inspections conducted
- Spent over \$32,000 in personnel
- Spent \$11,500 in equipment
- 4,319 page-views on the Greene County Public Health website
- 16,902 impressions on public health’s Facebook page
- 18,300 impressions on public health’s Twitter page

It is the mission of the health district to prevent disease, promote health and wellness in Greene County and protect the quality of our environment. The employees accomplish the mission through integrated community efforts, assessment, health education, collaboration and assurance of quality services, disease prevention and control, and emergency preparedness. For more information on public health’s emergency preparedness programs or response during a disaster, please call 937-374-5600 or visit the website at www.gcph.info.
