

2020 Food Protection Course Schedule

The Food Protection program of Greene County Public Health offers workshops on food safety. Each class is designed to promote proper food handling procedures to prevent foodborne illness.

Person In Charge (PIC) Certification Course

The Ohio Uniform Food Safety Code requires that all food facilities have a person-in-charge (PIC) working at all times. To be a PIC, an employee should understand food safety procedures that relate to the operation. This class will teach food safety principles necessary to be a PIC.

Cost: \$30.00 per person (available to anyone) – *We recommend registering in advance to guarantee your seat.*
\$250.00 if you would like the PIC Certification class taught at your facility

ServSafe®: Manager Certification in Food Protection Course

Each Risk Level III and IV FSOs and RFEs shall have at least one (1) employee that “has supervisory and management responsibility and the authority to direct and control food preparation and service,” obtain Manager Certification in Food Protection according to rule 3717-1-02.4. This 15-hour course is a detailed study of food safety procedures and prevention of foodborne illnesses. Developed by The National Restaurant Association Educational Foundation, this HACCP-based course gives participants national, state and local recognition as certified in food safety.

Cost: \$150.00 per person – *Must register in advance to guarantee your seat.*
\$75.00 per person for retest or exam only. Must provide proof of eligibility.
