I WANT TO FILL IN MY LOT, WHAT STEPS DO I NEED TO TAKE?

Only clean hard fill material may be used to fill in a low area on your land. Please refer to the [clean hard fill fact sheet](#) for more information. Land area that is within the 100 year flood plain cannot be filled or disturbed. Contact the Greene County Flood Plain Administrator, Al Kuzma, at 937-562-7450 if you want to fill in an area prone to flooding or near a stream or creek. Also contact your local Zoning Inspector to determine if there are local regulations about filling in low areas.
