## **GCPH Announces Change in Venue for COVID-19 Vaccines**

**GREENE COUNTY, OH** – Officials with Greene County Public Health (GCPH) have announced that the last day for the COVID-19 vaccine clinic being held at the Russ Research Center will be Friday, May 7, 2021. They will be moving clinic operations to the main office in Xenia located at 360 Wilson Drive.

Those who are scheduled for a first dose of vaccine on May 5-7, 2021 at the Russ Research Center will receive their second dose at the main office of GCPH in Xenia. For those who had 2<sup>nd</sup> doses scheduled at the Russ Research Center after May 7, 2021, their appointments have been moved to the main office of GCPH, but they kept their original appointment time. The VMS system ([gettheshot.coronavirus.ohio.gov](https://gettheshot.coronavirus.ohio.gov)) will notify them and they were also notified they day they received their first dose.

COVID-19 vaccination clinics will be held at the GCPH main office in Xenia on Wednesdays and Thursdays, 8:30-11:30am and 12:30-3:30pm until further notice beginning Wednesday, May 5, 2021. May 5<sup>th</sup> and 6<sup>th</sup> will be for first doses only at the main office. Residents ages 16 and older are encouraged to schedule a vaccine appointment at <https://gettheshot.coronavirus.ohio.gov>. The vaccines have been determined safe, effective, and were rigorously tested. GCPH continues to receive shipments of Moderna and Pfizer vaccine.

GCPH officials wish to express their gratitude and appreciation for the use of the Russ Research Center to Ohio University's Russ College of Engineering for this important public health effort.

Additional information on special vaccination events and other important information can be found on GCPH's social media platforms including Facebook, Twitter, Instagram and LinkedIn.
