Winners of Gas Gift Cards Announced

GCPH Thanks Those Who Participated in the Recent Tobacco Use Survey

XENIA, OH – Greene County Public Health officials have announced the winners of the recent Tobacco Use Survey in Greene County.

Greene County Public Health (GCPH) is a recipient of a grant from the Ohio Department of Health on Tobacco Use and Prevention. Through this grant we conducted the community tobacco survey to gather information on current tobacco knowledge and attitudes of Greene County residents. The survey began on July 27, 2022 and ended September 26, 2022 with 334 residents surveyed. The results of the survey help GCPH better inform our tobacco use, prevention, and cessation programming to help our community live healthier lives.

The winners, selected in a random drawing, were Crystal Rutan of Fairborn, Courtney Montgomery of Jamestown, Louis Matos from Fairborn (pictured with his wife, Rae Anne), and Sue Parker of Yellow Springs (pictured is Ms. Parker's daughter, Jennifer Gilchrist). These individuals each took home a \$100 gas gift card for their participation.

For more information or questions about the survey or the grant and its programs, please contact Alayna Romer, Health Educator, by phone at [\(937\) 374-5673](tel:9373745673) or by email at aromer@gcph.info.
